**RE: Patriot Abatement Services Letter of Recommendation
Route 13, Johnson Co.
Job No. J4P1138**

To Whom It May Concern:

On behalf of Emery Sapp & Sons, I would recommend Patriot Abatement Services for future asbestos abatement work based upon their past work performance and quality demonstrated on the Missouri Department of Transportation, Johnson County Route 13 project.

Patriot Abatement Services provided all necessary tools and material required to execute their portion on of the contract, as well as produced the necessary paper work and documentation in a timely fashion upon their completion.

All work performed was accepted and paid in full by Missouri Department of Transportation.

Sincerely,

A handwritten signature in black ink that reads 'Matthew Oesch'.
